Where did you hear about Health Poverty Action and why do you want to run for us?	
Do you have any pre-existing, current or reoccurring injuries?	
Have you applied for a ballot place in the London Marathon 2019?	
If you are successful in the ballot will you still be running for Health Poverty Action?	
Have you run the London Marathon before?	
Will this be your first experience fundraising for charity?	

We ask our charity runners to raise a minimum of £2000. In order to support our runners with their fundraising, we set mini fundraising deadlines. We have found that these help to break down the overall £2,000 target into manageable monthly bites to avoid any last minute fundraising worries when you're busy training. **Please outline your fundraising plan:**

£300 12th December 2018	
£800 21st February 2019	
£1,200 25th March 2019	
£1,800 22nd April 2019	
£2,000 28th May 2019
