

CURRY FOR CHANGE

HEALTH POVERTY ACTION

1

WHAT, WHEN, WHERE

Begin by picking the date, time and location for your Curry for Change event, whether it's at home or in your place of work. Make sure there will be room for everyone to sit, eat and enjoy some delicious food!

2

INVITES

Invite friends, family or colleagues to your event with posters on notice boards, emails or in person! Let them know what HPA means to you and encourage them to come along. Ask people to bring a donation of what they would normally spend on a takeaway curry!

3

PREPARING

Now you can make your curry dishes! Korma, Dhansak, Jalfrezi and Vindaloo - from sweet and mild to hot and spicy - try different sauces and proteins to make sure there's something for everyone to enjoy. Don't forget your side dishes!

4

HOSTING

Set up your Curry for Change event and decorate with HPA bunting, layout your plates, cutlery and menus. Talk to people about HPA and don't be afraid to ask for donations - everyone's there to support you!

5

DONATIONS

After your event send the donations to HPA via our website, or contact us and we can arrange an alternative method. Send thank you messages to those that donated and let them know how much you all raised!
